## WHAT TO PACK

### Summer

Bring clothes that are cool, light and comfortable because summer temperatures can get well into the 30 - 40-degree Celsius range in some areas. Also bring an umbrella or raincoat during summer as this is when most of the country gets its rain, but don't forget a swimming costume (bathing suit).

### Winter

The winters are generally mild, comparing favourably with European summers. But there are days when temperatures dive, especially in high-lying areas such as the Drakensberg, so be prepared with jerseys and jackets. Cape Town gets its rain during the winter season so it's advisable to bring rain gear along.

### General

Always bring a hat, sunglasses and sunblock as the sun can be strong even in the winter months. Walking shoes are a good idea all year-round, with warm socks in the winter.

For game viewing, a couple of neutral-toned items will be useful, but there's no need to go overboard. A good pair of walking shoes is also advisable.

For the evening, if you are dining at an upmarket restaurant or seeing a show, smart-casual attire is recommended.
